**Re: Clarity of Power Factor Requirements for Windfarms at Low Power Levels – MPID
42**

Dear Stephen,

I refer to the ESB Networks correspondence to CRU of 19 December 2017 and 14 March 2018 seeking approval of Distribution Code modification MPID 42, as recommended at Distribution Code Review Panel meeting on 26 October, 2017.

The CRU is satisfied that ESB Networks has recommended this modification for approval by the CRU in accordance with the relevant provisions set out in the Distribution Code for the handling of revisions and that the views of stakeholders have been adequately considered and addressed.

Having considered the modification and its supporting documentation the CRU approves this modification and directs ESB Networks to revise the Distribution Code which shall be deemed to be amended accordingly from the date of this letter.

Yours sincerely,

Robert O'Rourke

Manager, Electricity Networks
