Dear Mr Moore,

I refer to your correspondence to CER of 1<sup>st</sup> October 2015 seeking approval of Distribution Code modification MPID 38, as conditionally recommended at Distribution Code Review Panel meeting on 15<sup>th</sup> December, 2015.

The CER is satisfied that ESNB has recommended this modification for approval by the CER in accordance with the relevant provisions set out in the Distribution Code for the handling of revisions and that the views of stakeholders have been adequately considered and addressed.

Having considered the modification and its supporting documentation the CER approves this modification and directs ESNB to revise the Distribution Code which shall be deemed to be amended accordingly from the latter of the date of this letter.

Yours sincerely,

Robert O'Rourke
