

# Junior Activity Sheet 3

Name: .....

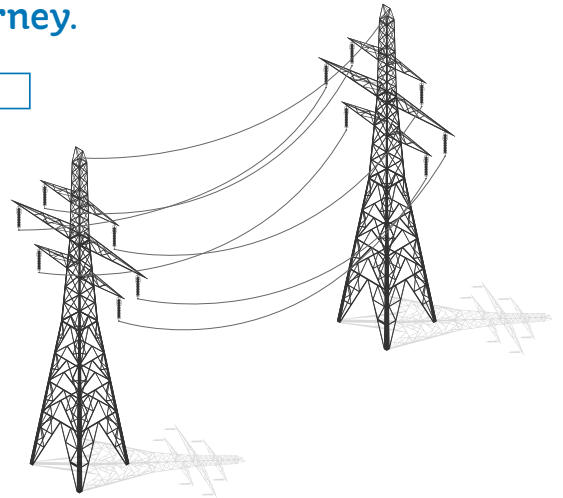

## The Journey of Electricity

1. Look at the picture. Number each stage of the journey.

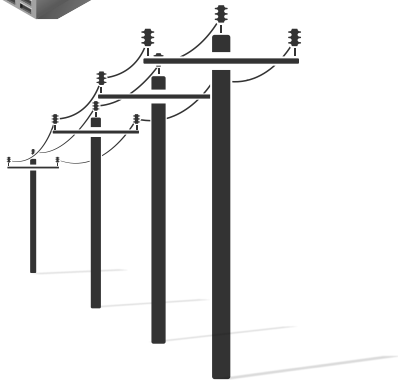

Stage   
Power Station

Stage   
Pylons

Stage   
Wooden Poles  
and Overhead Wires

Stage   
Mini Pillars

2. Use these words to finish the sentences:

boxes	power	poles	electricity	wires
-------	-------	-------	-------------	-------

- Stage 1:** Electricity is made in \_\_\_\_\_ stations.
- Stage 2:** Pylons help electricity to travel from power stations along \_\_\_\_\_ across long distances.
- Stage 3:** Wooden \_\_\_\_\_ and overhead wires help to bring electricity to towns and villages across Ireland.
- Stage 4:** Mini pillars are metal \_\_\_\_\_. They help to bring \_\_\_\_\_ into our homes and schools.
