

If you have a Complaint about your Connection Offer or other aspects of your Generation connection to the Distribution System:

Our priority is to consistently deliver a high standard of service to our customers and to ensure that our offers reflect the current policy as set by the Commission for Energy Regulation and updated from time to time.

If, however, you feel that we have not performed to your satisfaction, we are happy to investigate the matter with the aim of finding a resolution and improving our policies and procedures.

Our target is to address complaints within twenty working days from the receipt of your formal request. However please note more complex complaints may take additional time to resolve

If you consider that your particular situation warrants complaint you may email: DSOGenerators@esb.ie ; or write to
