In 2015 there have been **27,000 customers** affected by metal theft with **81,000 hours lost** to customers due to these power outages.

HEY! WHO TURNED OUT THE LIGHTS?

Metal theft in Ireland affects everyone. It causes powercuts, impacting on families, businesses and the economy. AND it puts our communities in danger when thieves leave electrical hazards behind them.

Your vigilance can help stop this.

If you have information relating to metal theft call **CRIMESTOPPERS**. Your call is **FREE AND ANONYMOUS** and you may receive a reward for information which significantly helps a Garda investigation.
